

Community Coalitions Health Institute

Overview	(CCHI) is a nonprofit affiliate organization of the National Business Coalition on Health (NBCH).
Primary Goal/Mission	Improving health and transforming health care, community by community
Programs/Campaigns	<ul style="list-style-type: none"> • Coalition Seed Grant Program CCHI has issued seed grants to nearly half of the NBCH coalition members. Grant areas include adult immunization, diabetes programs, community health planning, and community health partnership • Community Health Partnerships Project 5-year grant from the CDC seeks to strengthen existing relationships and catalyze new partnerships between NBCH member coalitions and state and local public health agencies across the United States • Community Health Planning Seed Grant Six NBCH communities received grants funded by United Health Foundation and the lessons learned and best practices were developed into a library of Community Health Planning Resources (see gray literature table for document descriptions)
Impact	N/A
