

## National Business Coalition on Health (NBCH)

<b>Overview</b>	The NBCH is a national, nonprofit membership organization of 52 purchaser-led health care coalitions across the United States representing over 7,000 employers and approximately 25 million employees and their dependents. These business coalitions are composed of mostly mid- and large-sized employers in both the private and public sectors in a particular city, county, or region.
<b>Mission</b>	NBCH exists to help member coalitions lead in improving health and the value of health care services in their communities.
