

The California Endowment

Overview	The California Endowment is a private, statewide health foundation that was established in 1996.
Primary Goal/ Mission	To expand access to affordable, quality health care for underserved individuals and communities, and to promote fundamental improvements in the health status of all Californians
Programs/Campaigns	
<ul style="list-style-type: none"> • Health Happens in Neighborhoods (Junk Drinks and Junk Foods, Places to Walk and Play, Safe Streets) • Health Happens with Prevention (Encouraging Enrollment Through the ACA, Helping Small Businesses Implement the ACA, Giving Rise to Healthier Communities) • Health Happens in Schools (Healthier School Foods and Beverages, All Aboard the School Success Express, Exercise During the School Day, Social-Emotional Health for Students) • Health Happens with Action • Health Happens with all Our Sons and Brothers • Building Healthy Communities <p>A 10-year, \$1 billion comprehensive community initiative that is creating a revolution in the way Californians think about and support health in their communities. In 14 places across California, residents are proving they have the power to make health happen in their neighborhoods and schools through prevention—and in doing so, they are creating a brighter future for their children and for their state.</p>
